A MURDEROUS PHYSICIAN. Dr. S. P. Harrington, a physician at Farley, near East Leavenworth, Mo., at 7 a, m. yesterday west to the residence of his mother-in-law, Mrs. William Wallace, two miles east of Fa ley, found her washing dishes, and shot her dead. He then drove half a mile north to the residence of his wife's ucle, James Wallace, found him in his feed loft and shot him twice, killing him instantly. Harrington then drove to Leavenworth, Kan., where he pur-chased 250 Winchester shells and 250 32-calibre pistol shells. He told the merchant that he had killed Mr. and Mrs. Wallace. The merchant tele-phoned to the police, but Harrington evaded them and returned to Platte City. He again went to Farley and en-tered the store of Henry Well. There were a number of persons there. He ordered a man to throw up his bands and give up his money. Dan Cameron nanded him \$4. When he started to leave the store Cameron opened fire on

him. Harrington returned shot for shot. Sheriff John C. A Mother Tells How She Saved Her Little Daughter's Life.

I sm the mother of eight children I am the mother of eight children and have had a great deal of experience with medicines. Last summer my little daughter had the dysentery in its worst form. We thought she should die. I tried everything 1 could think of, but nothing seemed to do her any good. I saw by an advertisement in our paper that Chamberlain's Colic Cholera and Diarrhosa Remedy was Cholera and Diarrhoea Remedy was highly recommended and sent and got a bottle at or ce. It proved to be one of the very best medicines we ever had in the house. It saved my little daughter's life. I am anxious for every Alexandria Fertilizer mother to know what an excellent medicine it is. Had I known it at first it would have saved me a great deal of anxiety and my little daughter much sugeriog. Yours truly, Mrs. Geo. F Burdick, Liberty, R. I. For sale by all druggists.

DOES IT PAY TO BUY CHEAP? A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the ONLY remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Bos-chee's German Syrup."
